Subject: **MiT Inc** Infrared Assisted Listening Devices

Regarding: ADA Compliance

This letter certifies that the components making up the ALD product line manufactured by MiT (previously UltraStereo Labs) i.e. model UPC/IRC IR transmitter, CCH and CCR caption receivers, and IRH headsets, have been tested to be in compliance with Section 706 of the Department of Justice 2010 ADA Standards for Accessible Design: <https://www.ada.gov/law-and-regs/design-standards/2010-stds/>

These devices are also compatible with Section 219 of that document, and with the proposed regulations in DOJ-CRT-2014-0004-0001: <https://www.regulations.gov/document/DOJ-CRT-2014-0004-0001>

For further information on ADA Assistive Listening requirements in cinemas, see MiT document R000315. If you still have questions or need further information, please find our company contact information at the bottom of this page.

Sincerely,

A handwritten signature in black ink, appearing to read 'David Richards', is positioned above the printed name.
