

S2 Pedestal

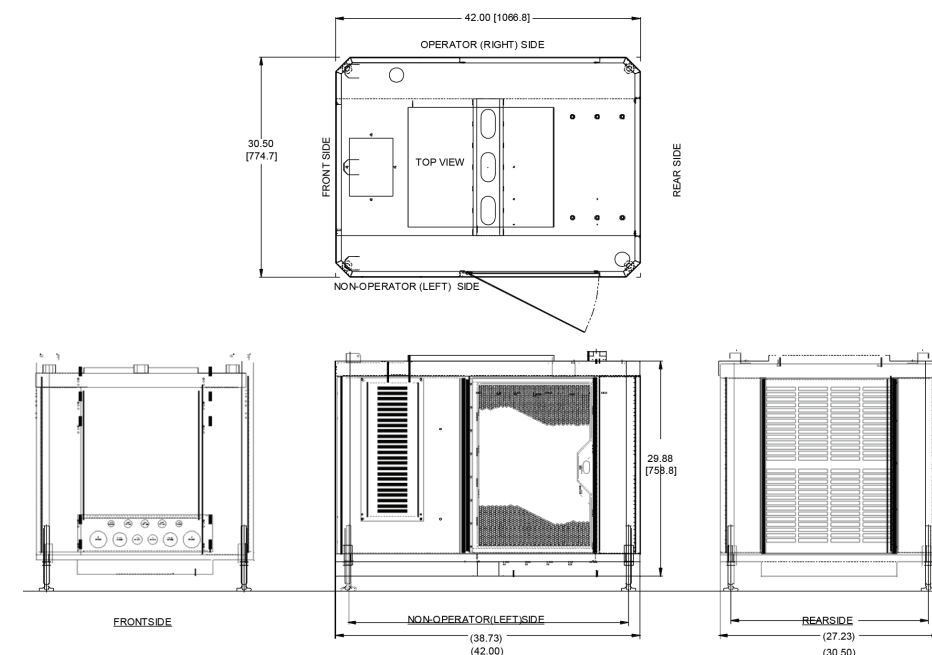

The MOVING IMAGE TECHNOLOGIES S2 Pedestal is the most widely used pedestal in D Cinema today. It has been designed by MiT engineers for ergonomics and functionality, while at the same time being attractive to the eye. It consists of a rugged, welded enclosure made from 14 Ga steel. It's designed to support projectors up to 400 lbs. Customers have the choice of louvered panels or screened doors for the unused rack mounting areas. The S2 can accommodate all D-Cinema Servers as well as the full line of MiT accessories. This includes IMC automations, M-Series Dimmers and IS-30 Spike Arrestors all of which can be pre wired in our factory to your custom specifications. (See separate specifications for details)

Features:

- Supports small and large DLP projectors from all major OEMs
- 14 U rack space available from 3 sides for flexible configuration
- Internal work light built-in to ease service
- Long leveling feet allow tilting to 10 degrees
- Conduit knockouts on the front side for routing power in and out
- May be track mounted
- Tilt block available for greater tilt
- Hold-down clamps secure projector feet
- For use in new construction or retrofits

Block Diagram:

Options:

- Power Distribution Unit
- International Voltages Available
- IMC Series Automation Systems
- IS-30 Spike/Surge Protection Unit
- M-Series Dimmer
- Pre Assembly And Wiring
- Pre Configuration And Addressing Of Network
- Seismic Foot Clamps

Part Numbers:

- A000310-001 Standard Pedestal
- A000176-00x Power Distribution unit (N. America and International versions)
- A000282-00x IMC-3j Automation system, 2RU tray
- A000290-00x IS-30 Spike and surge arrestor (120/220V and 230/380V versions)
- C003184-001 Tilt Riser Block
- C003199-001 Adapter, NEC projector mount (2 req'd)
- PA00001-00x Dimmer (2 channel and 4 channel versions)

Mechanical:

- Dimensions: 42.0 x 30.5 x 31" high
- Weight: 200lbs
