

MOVING iMAGE SOURCE

Welcome to the World of Alternative Content

In the world of Alternative Content, your solution is the MOVING iMAGE SOURCE, designed to support a variety of alternative content for the Single Screen Cinema or Modern Multi-Screen complex. Completely mobile, this rugged, semi-scalable & multi-functional station incorporates everything under the sun. It helps the exhibitor tap in to new markets and new revenue streams utilizing their Digital Cinema investment.

The MOVING iMAGE SOURCE is available in 3 standard configuration and can be customized with the features you require to accommodate all of your Alternative Content needs. Video Conferencing via your broadband connection (Skype, Go2Meetings, Webcasts), Big Screen Gaming Competitions (Picture in Picture) and anything you can imagine.

All-In-One Alternative Content Console
