

# **S4 Pedestal (DE)**

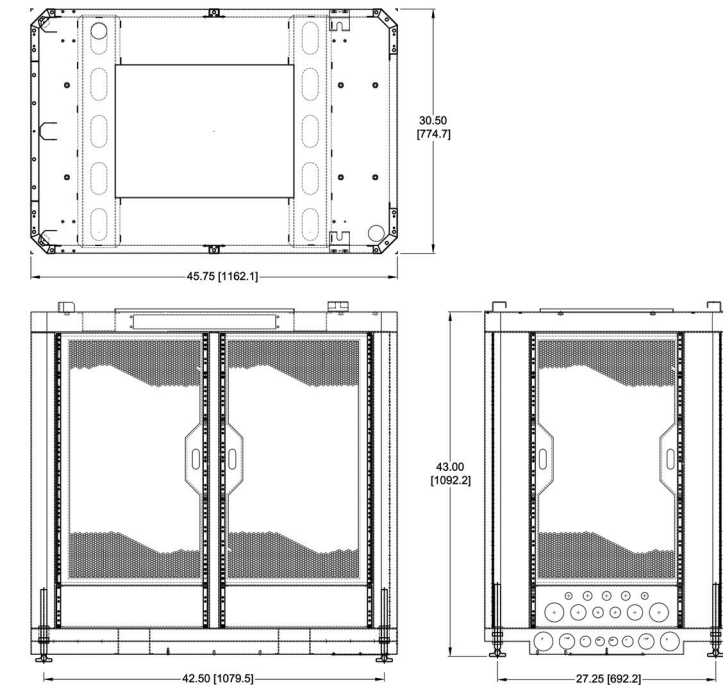

The MOVING IMAGE TECHNOLOGIES S4 Pedestal was made with special consideration for consolidation of the all D Cinema components. It has been designed by MiT engineers for functionality and optimization, without sacrifice. It consists of our standard rugged, welded enclosure made from 14 Ga steel & is designed to support projectors up to 400 lbs. Customers have the choice of louvered panels or screened doors for the unused rack mounting areas. The S4 can accommodate all D-Cinema Servers as well as audio components with enough rack space for a full line of MiT accessories. This includes IMC automations, M-Series Dimmers and IS-30 Spike Arrestors all of which can be delivered integrated from the MiT factory. (See separate specifications for details)

## Features:

- Supports small and large DLP projectors from all major OEMs
- 21 RU of space available from 2 sides for flexible configuration to accomodate more equipment
- Internal work light built-in to ease service
- Long leveling feet allow tilting to 10 degrees
- Tilt block available for greater tilt
- Hold-down clamps capture projector feet
- For use in new construction or retrofits
- Conduit knockouts on the front side for routing power in and out
- May be mounted on track or casters

## Block Diagram:

## Options:

- Power Distribution Unit
- International Voltages Available
- IMC Series Automation Systems
- IS-30 Spike/Surge Protection Unit
- M-Series Dimmer
- Pre Assembly and Wiring
- Pre-Configuration and Addressing of Network
- Seismic Foot Clamps

## Part Numbers:

- A000332-001 Standard Pedestal
- A000176-00x Power Distribution unit (N. America and International versions)
- A000282-00x IMC-3j Automation system, 2RU tray
- A000290-00x IS-30 Spike and surge arrestor (120/220V and 230/380V versions)
- C003184-001 Tilt Riser Block
- C003199-001 Adapter, NEC projector mount (2 req'd)
- PA00001-00x Dimmer (2 channel and 4 channel versions)

## Mechanical:

- Dimensions: 42.50 x 27.25 x 43" high
- Weight: 200lbs
